

Compression sprayer with 5 litre ~ 1 US gal useful capacity. Conveniently transportable with a shoulder strap. Sprayer suitable for use in medium gardens.

Advantages

- Translucent tank and hose to see the liquid level.
- Safe and no overpressure risk thanks to the safety valve.
- Complete use of the liquid thanks to the lower hose connection.
- Easy maintenance, no need of tools for disassembling the pressure chamber.
- Adjustable strap for transportation.
- Possibility of adding optional MATABI accessories.
